

## Sheila Bruner's Candy Cane Border

Supplies for the class

1. Sewing machine with zigzag stitch and general sewing supplies.
2. 2 or more 2 1/2" fabric strips of background fabric.
3. 1 or more 2 1/2" fabric strip for the pole. It would be helpful to sew the 2 background pieces on each side of the pole fabric before class.
4. 12 1/4" x 5 1/4" fabric for ribbon fused to Steam a Seam 2 or Quilters' Select Appli-Stick.  
Several 2 1/2" x 8" fused fabric for addition ribbon pieces.
5. If you have an Accuquilt Cutter and the Ribbon Twist Die, please bring them to help with cutting.

This is the first quilt that I used the twisted ribbon on. Instead of holly at the top I used flowers.
